

Summary

1. Introduction

Overview of the book and its intermediate–advanced objectives: expanding vocabulary and grammar structures to express ideas on social, cultural, and professional topics.

2. Unit 1 – Intermediate Theme A

Vocabulary and expressions related to social or professional settings, including formal and informal dialogues, and conversation practice.

3. Unit 2 – Intermediate Theme B

Expansion of vocabulary and more complex grammar patterns: expressing opinions, suggestions, and describing changes.

4. Unit 3 – Intermediate Theme C

Longer reading passages, reading comprehension, and deeper oral interaction practice.

5. Unit 4 – Intermediate Theme D

Study of advanced kanji (about 10 per lesson), formal and humble speech styles, and written tasks.

6. Unit 5 – Intermediate Theme E

Professional communication: meetings, reports, phone conversations, and appropriate levels of politeness in speech.

7. Unit 6 – Intermediate Theme F

Discussion of cultural and social issues such as environment, health, technology, and Japanese society.

8. Unit 7 – Intermediate Theme G

Integrated activities such as debates, oral presentations, and complex interactions for advanced fluency.

9. Unit 8 – Intermediate Theme H / Comprehensive Review

Review of all skills—listening, speaking, reading, and writing—through synthesis and communication tasks.

10. Appendices

Vocabulary lists for each unit

Kanji reference tables
